

## Storage box for car trailer

**Art.nr. 010050**

Handy storage box for the car's trailer for storage of ratchet straps, warning triangles, tools etc. Made of anodised aluminium with stainless steel cover. Equipped with 2 compression locks, with space for a padlock. The cover has a rubber seal and the bottom is a plastic grate. Easy to mount, thanks to recessed nuts installed in the side of the box.

**Meas:**

- length: 600 mm
- height: 210 mm
- width: 190 mm
